Fabiano Mendes

THE ME METHOD

A workbook to write in, print, and explore alongside the website.

Welcome to your journey

This workbook offers one brief practice each day. Read, write, and try a possible action. Move at your own pace; if you miss a day, return without catching up.

HOW TO USE IT

1. Set aside five to ten minutes. 2. Read the daily question. 3. Write freely. 4. Try the small action. 5. Pause for a review every seven days.

YOUR COMMITMENT

My start date: ____ / ____ / _____. A good time for me: _____. One personal reason for beginning:

This educational workbook supports self-reflection. Its questions are not a diagnosis and cannot replace professional care when needed.

Explore the website

The ME Method website brings together messages, articles, book previews, and more ways to reflect. After a daily exercise, find a message related to its theme and note what it brings up for you.

A SIMPLE PATH

Scan the QR code, visit the site, search a word related to today's theme, and choose a message. Come back to the workbook to write a thought of your own.
